

## DECLARATION

We, the undersigned, are the manufacturer of WolfVision products and declare that:

WolfVision products are designed to be industrial, commercial or residential systems.  
WolfVision products are clearly NOT deemed to be inherently military in character.

### EUROPE:

WolfVision products are not included in the list of dual-use items and technologies referred to in Council Regulation (EC) No 1334/2000 and its amendment Council Regulation No 428/2009.

### USA:

WolfVision products are neither EAR99 classified, nor require an ECCN (Export Classification Number). EAE99 classification indicates that a particular item is subject to the Export Administration Regulations (EAR), but is not listed with a specific Export Control Classification Number (ECCN) on the Commercial Control List (CCL).

### NOTE:

WolfVision products isolated neither fall under ITAR (International Traffic in Arms Regulations) restrictions, nor under the Wassenaar Arrangement on export controls for conventional arms and dual-use goods and technologies. It is not the duty of WolfVision to extend its control over additional treatment or final use of WolfVision products. WolfVision customers must ensure themselves that their commerce complies with all applicable regulations.
